

Teachers,

Please attach the following with the I SPOT activity pages for parents to use with the following instructions. Thank you.

Here are some great I spy pictures that are specific to sounds that you are working on.

1. Name the pictures
2. How many _____ can you find?
3. Tell me a sentence using 3 of these pictures.
4. Describe your favorite picture with at least 3 details
5. Name the category for each item you find (BONUS: Name 3 other things in that same category)

AS ALWAYS USE YOUR VERY BEST SOUNDS!!!! YOU CAN DO IT.
